Know Your Customer (KYC) requirements for eligible Third-Party Payors

What is a Third-Party Payment?	This is a payment made to Pru Life UK by any person other than the Policyowner.
Who are the eligible Third-Party Payors (TPP)?	- Persons named in the Life Insurance Application Form either as Life Insured or Beneficiary - The following family members of the Policyowner: - Parent - Sibling - Child - Spouse - Grandparent - Pru Life UK Insurance agents provided that they are - Parents and sibling of policyowner if agent is not married - Parents, spouse or child of policyowner if agent is married (with satisfactory proof or declaration provided by the life insurance agent)
Who are allowed to be Corporate/Entity TPP?	Only the following categories will be accepted as Corporate or Entity TPP: - Sole proprietorship provided that the Policyowner is the sole proprietor - Worksite/Group accounts where an employee-employer relationship is duly established (subject to the submission of Certifications of Employment)
What are the requirements for a first-time TPP?	- Duly accomplished and signed KYC Form for TPP - Copy of one (1) valid government-issued ID or two (2) valid non-government IDs.
If I am an existing TPP, do I have to fill out and submit another set of requirements if I intend to become a TPP of another policy?	As TPP documents are handled on a per-Policyowner basis: - Yes, if you have not yet applied as a TPP for that particular Policyowner. - No, if both the policies you are applying and have previously applied for have the same Policyowner.
If I am simultaneously applying as a first-time TPP for multiple policies, how many KYC Forms do I need to fill out and submit?	- If the policies have the same Policyowner, you will need to submit only one (1) KYC Form for TPP. - If the policies have different Policyowners, you will need to submit the same number of KYC Form for TPPs as there are Policyowners to individually establish your relationship with each.
I am a first-time TPP and one of the Beneficiaries of the policy. Do I still need to submit a KYC Form?	Yes, because the KYC for TPP requires the essential details on employment and source of funds which were not asked from you (being the Beneficiary) in the New Business Application Form or Policy Amendment Request Form.
